Dear Parents and Whanau

The White Baiting Season is here once again and it is good to see a number of enthusiastic people at the river's edge, enjoying the peace and quiet, who are ever hopeful of seeing a big shoal swimming right into their nets!

During the past couple of weeks we have **welcomed** Krishen Warnakulasuriya Silva Guruge, and Ella and Ariana Sullivan to St Joseph's.

**Dental Caravan** – the Dental Caravan is based at school at present and will be here until the end of the term. All students will be seen during this time.

**Rugby/Netball Tournament** – A large number of students will take part in the annual Inter School Rugby Netball Tournament to be held this Friday, 23 August at Memorial Park. All Saturday Netball Teams have been entered, plus a Butterworth, Davies, Waioweka and Rippa Rugby Junior rugby Teams. A separate notice will be given out to those students involved in this Tournament.

**Science Roadshow** – On Tuesday 27 August all students from Years 5 – 8 will have the opportunity to take part in the Science Roadshow which will be based in our Hall for the day. There are usually lots of ‘hands on’ activities on this day which the students really enjoy.

Please collect a registration form from the school office and return it by 30 August. Calves can compete this year. Dates for this year are:
